MEETING ON LAYOUT OF BRAY PROPERTY

There will be an informal meeting of the Rochester Planning Board on Tuesday, June 26th, at 7:00 P.M. at the Rochester Town Hall for a question and answer period and view of the layout of the Gibbs Bray property in the center of town. There is an application for a zoning change to this property.

Historical Society Meeting

The Annual Meeting of the Mattapoisett Historical Society will be held at the Museum on Thursday evening, June 21, at 7:30 P.M. for the purpose of receiving annual reports, a report of the Nominating Committee and election of officers. Also, a by-law revision will be presented at this meeting to be acted thereupon.

Following the meeting, Mrs. James R. Gurney of Rochester will give a talk on "Rochester -- 300 years in retrospect". Mrs. Gurney is the President of the Rochester Historical Society, the Co-Chairman of the Rochester 300 Committee.

CALIFORNIA
STORM STAIN

SOLID COLOR STAINS — *Linseed Oil or Urethane Latex*
- Rich natural tones blend the color and grain of the wood but do not obscure the texture.
- Maximum hiding power in the water repellant finish.
- Cover previously stained surfaces.
- One coat for similar colors or two coats for contrasting colors.
- Deep color penetration — Helps avoid deterioration of wood.
- Mildew resistant and blister resistant on properly prepared surfaces.

SEMI-TRANSPARENT STAINS — *Linseed Oil or Urethane Latex*
- Natural appearance and texture allows wood to retain its natural beauty without detracting from the bold graining and configurations inherent in wood itself.
- Colors that blend with natural settings and other finishes.
- Penetrating finish helps protect against deterioration of wood.
- Weather gracefully without chipping and peeling.
- Performs better than solid color stains on decks, rails and outdoor furniture.
- Water repellant finish fully protects the natural mellowness of wood from the ravages of changing weather patterns.

BLEACHING STAIN — *Transparent Oil Stain*
- A natural transparent oil rich stain that quickly produces a uniform silvery gray antique appearance when exposed to natural weathering.
- Designed for use on unfinished wood only and is not recommended for use over painted, stained or sealed surfaces.
- Excellent longevity without blistering or peeling. Retains its natural weathered look throughout the years.

ROCHESTER SUMMER LIBRARY PROGRAM

Summer vacation is finally here! Are the children already chanting, "What can we do??" Just bring them to the Joseph H. Plumb Memorial Library, Rochester, on Wednesday, June 27th, at 1:00 and they will be treated to some delightful children's films. Pre-school and elementary school age children are welcome. So, come to cool off and enjoy some fun entertainment.

O.R.R. Summer Schedule

This summer the Old Rochester Regional School District will begin its Summer Session on July 2, 1979 and end its program on August 10. Academic makeup courses will be offered in seventh and eighth grade math, science, social studies, and English and in grades nine through twelve, in English, math, U.S. History, biology and earth science. This year a fee for High School will be charged.

Nonacademic courses will be offered, if there is sufficient enrollment, Driver Edu-

Marion Library

Marion's Elizabeth Taber Library is a shady place to be on a hot day, an interesting place to be on a dull day, and a good place for children all summer long. Summer reading clubs are planned for Kindergarten children and those in Grades 1 -3 and Grades 4 -6. Adult volunteers will present craft workshops, games, and a variety of other activities. Story hours for children ages 3 - 5 will take place every Wednesday afternoon at 1 P.M. from June 13 - August 8.

Registration for workshops and summer reading clubs will be from Monday - Friday, June 25 - 29. Come see us!

Witness for the Prosecution. Originally scheduled for June 28 through July 1, the play will be presented in the SMU auditorium on June 21, 22, 23 and 24, at 8 P.M.

Generally agreed to be one of the most effective mysteries ever staged, the play revolves around the trial of Mr. Lenard Vole, played by Mark Abelson, for the murder of Miss Emily French, an elderly affluent member of the community.

The cast also includes George Audet, Jose Andrews, Bill Begley, Kathy Fontera, Stuart Johnson, Martha Kearns, Liz Kmetz, Paul Kuliga, Ralph Moniz, Charles Page, and Bob Peddler.

Angus Bailey will direct the cast.

O.H. Concert

If you had the good fortune to have been in the High School Auditorium last Thursday evening, you heard a group of very young musicians from the Old Hammondtown School present their annual Spring concert. An outstanding job was done by many small groups and soloists combined with a 16-piece dance band and the full concert band.

The unfortunate and untimely illness of Mr. Jarvis Medeiros almost caused the cancellation of this annual spring event.

In the true spirit of "the show must go on", Mattapoisett's band held its concert and it was a great success.

With just two days notice, Mrs. Claire Bessette undertook to work with the small intrumental groups and the soloists along with leading her fine chorus. Her work was greatly appreciated by all who saw and heard the results of her ex-

tra effort.

A very special thanks must go to Mr. Gary Thomas who normally leads the Old Rochester Regional Band. With the same two days' notice, Mr. Thomas agreed to break into his busy end of the year schedule and work with the dance band and the concert band. There was time for only one short rehearsal with each group. The resulting performance was a joy to all those present. Mr. Thomas, accustomed to working with older, more polished musicians, made these fifth and sixth grade students rise to the occasion. He is to be congratulated for a job well done. Band parents, as well as townspeople, greatly appreciate and applaud this kind of effort in behalf of a fine group of students.

O.R.R. Girls' Track

The Old Rochester Girls' Track Banquet was held in the school cafeteria with 250 parents and guests attending.

Ms. Joan Walsh, Superintendent of Schools, commented on the excellent record and spirit of the Girls' Track Team and indicated that she hoped that the confidence, strength and self-knowledge gained through these processes would enable the girls to have the inner courage to recognize their worth in later life situations, when external rewards were lacking.

Mr. Rodrigues thanked his fine coaching staff of Mr. Carl Vaughan and Mr. George Goodfellow for their efforts as total coaches who have given more than 100% of themselves to the girls and program. He pointed out the fine achievements of the team this season and all the championships they won. The team was second by one point at the Somerset Relays, won the Falmouth Invitational Novice Meet, won the Division I Meet, and won the Massachusetts State Relays. The team has maintained an 84% win record over the last eleven years, and the Freshmen-Sophomore conbination has never lost a meet.

The following team trophies were presented as follows: "Most Valuable Player", Gretchen Hamer; "Second Most Valuable Player Field Events", Sue Davis; "Second Most Valuable Player Track Events", Amy Dawson; "Most Dedicated", Sara McIntire; "Most Improved", Janice Hagemann; "Rookie of the Year", Alieta Rothwell and Kristen Holden.

The Mattapoisett Track Club presented their plaque to the "Outstanding Graduating Senior Track Girl". That award went to Nancy Ripple.

Rediscover New Bedford

"Rediscover New Bedford Days, Ltd.", a festival of fun, food and free entertainment, will be held on June 30, July 1, 2 and 3 this year on Leonard's Wharf from noon until late in the evening. The historic waterfront area is easily accessible from ample parking facilities located near I-195. Free shuttle bus service includes a commentary on famous landmarks enroute to the wharf, or one can walk along the streets made famous in Melville's Moby Dick.

Singing groups and bands from barbershop to blue grass will play throughout the four-day festival. Free puppet shows, children's theater and magic acts will be performed in the afternoons. There will be arts and crafts displays and exhibitions in ballet, jazz and modern dance as well as folk and square dance groups.

Food from around the world will feature such ethnic delights as Portuguese carne-espito, favas and cocoila along with native seafood such as scallops, quahogs and chowder.

Harbor cruises, the Whaling Museum, historic Johnny Cake Hill and fireworks on July 2nd should add to the delight of the whole family. There's something for everyone at this year's Rediscover New Bedford Festival Days, June 30, July 1, 2 and 3 on Leonard's Wharf.

Singer Don McLean returns to entertain at Rediscover New Bedford Days festival on Tuesday, July 3rd. The popular folk/rock artist will be in concert at 9:30 P.M. at the band shell on Leonard's Wharf as the grand finale of the four-day celebration.

MARIONETTE WORKSHOP FOR CHILDREN

Miss Luice Moncevitch, art director of Center School in Mattapoisett, has been appointed to the summer faculty at Swain School of Design where she will teach a course for young children under the title, "Discovering Art". The classes will emphasize marionette building and puppets, including rod puppets from Indonesia, shadow plays, and string marionettes from Europe.

Miss Moncevitch studied theatre at Emerson College with a Master's degree in Japanese and Chinese drama, and worked with marionette carving in Zurich and lighting with the Black Light Theatre in Prague, Czechoslovakia.

Registration for the course ends July 6 and more information can be obtained by calling Swain School at 997-7831 between 9 A.M. and 1 P.M.

SATURDAY PROGRAM - JUNE 23

A new concept in children's games has been introduced in the book, New Games, by the New Games Foundation, published in 1976. The new ideas are spreading fast in school playgrounds, and summer camps, and the concepts foster playing hard and fair and hurting no one. These outdoor games require imagination, basic skills and strengths, and invariably result in great fun and enthusiasm. The Children's Museum has experimented with these new ideas on three occasions, and met with great success and entertainment for all. On June 23rd the Saturday afternoon program will be a "New Games Tournament" and all are invited to join the fun and excitement. There is no age limit, fun for big people and little people, and the larger the crowd, the better the games. For an afternoon of great physical fun, please join us at the Russells Mills center 2:00 P.M. on June 23rd. There is a small charge for non-members.

ALUMNI RECORDS UPDATE

Southeastern Massachusetts University is looking for its "lost alumni".

Under the direction of newly-appointed Alumni Liaison Christine Love, the SMU Alumni Affairs Office is updating its records. Ms. Love would like to hear from any alumnus or alumna of SMU, SMTI, the New Bedford Institute of Technology, or the Bradford Durfee College of Technology who has not received any SMU alumni literature or correspondence during the past year.

Alumni - or their relatives or friends who know of their whereabouts - may write to Ms. Love giving their name, year of graduation, and current address, at the SMU Alumni Affairs Office, 328 Foster Administration Building, North Dartmouth, MA. 02747.

DISCIPLINE CODE AT ORRHS

The faculty of Old Rochester Regional High School invites parents to join in a thorough examination of the discipline code of the school. It is the faculty's view that our school will be more effective if the concerns of all parties, parents, teachers and students are carefully considered in setting school rules.

A committee of teachers, parents and students will be asked to meet, commencing in the fall, on several days following the close of the regular school day, and to re-

port to the full faculty its recommendations prior to the opening of the second marking term in mid-November.

Members will be furnished with copies of our existing handbook, copies of discipline codes from neighboring schools, together with position papers and research papers from various professional journals. Attempts will be made to procure and circulate any other materials that the committee members deem helpful. It is our hope that if all persons selected as members will study carefully their own concerns and the relevant materials the matter can be concluded expeditiously.

Interested parents are asked to write a note to the Principal indicating their willingness to help.

JUNE IS ADOPT-A-CAT MONTH

Have you been thinking of opening your home to a kitten? If so, now is a perfect time to adopt a kitten from the Animal Rescue League of New Bedford. During June there is an overabundance of unwanted cats and kittens that must be cared for by animal shelters. More cats and kittens are born during the spring than at any other time of the year.

But, the Animal Rescue League would like to remind everyone that, once adopted, a cat may live to be 15 or 20 years old. The animal will need lots of love and proper care during that time. But, it'll also reward you with affection and com-

When you decide to get a kitten, visit the Animal Rescue League first and give some homeless kitten a chance to win your heart.

Here are some tips to follow whenever auditioning a kitten to star on your home stage: Look for shiny alert eyes, without obvious tears or discharge; Look for pink ears, free from accumulations of black or grey matter which could indicate ear mites; Check the coat. It should be shiny and full with no bare patches, skin irritations or parasites; Look at the nose,, it should be free from discharge; The cat should be curious, alert and playful, never brooding or listless.

Open House

There will be an Open House from 2:30 to 4:30 P.M. on Sunday, June 24th, at the Smith Street Center, 247 Smith Street, New Bedford. The Greater New Bedford Association for Retarded Citizens, an advocacy agency for retarded citizens and their families, and Harbor, Inc., a day activities program for retarded adults, will celebrate the renovation of the Smith Street Center and the opening of a daily activities program.

There will be a ribbon cutting ceremony, to which Mayor Markey has been invited, installation of officers of the Greater New Bedford Association for Retarded Citizens and the presentation of awards to citizens who have given outstanding service during the past year to both Harbor, Inc. and the Greater New Bedford Association for Retarded Citizens.

The public is invited to tour the renovated Smith Street Center as part of the Open House.

public concert on the boardwalk of the CRANBERRY WORLD Visitors' Center in Plymouth Sunday, June 24th, from 1 to 3 P.M.

Jointly sponsored by Ocean Spray Cranberries, Inc., the Pilgrim Society, and the Plymouth County Development Council, the gala musical event highlights traditional Governor Carver Day observances in the historic waterfront community.

The Band, 18 strong under the leadership of Chief Musician Ed Rodgers, will travel from its Newport, Rhode Island, headquarters to present a rousing program of standards, musical comedy favorites, and contemporary pop tunes ranging from the Big Band sound of the 40's through the current Big Band style. Comedy and dance are also interspersed with the group's melodic selections to provide two hours of big-time, top-drawer musical entertainment.

One of a series of regularly scheduled free concerts staged at Cranberry World as part of its community activities program, the June 24th concert is expected to attract a record crowd. Before or after attending the performance, the public is also welcome to tour the admission-free cranberry showplace.

Visitors still have an opportunity to catch the popular "Quilt Question," show now in its final week at the Center's Cranberry Gallery. The exhibition spotlights many outstanding examples of priceless traditional quilts and prize-winning contemporary designs. A handsome color catalog, featuring all of the quilts in the show, is available at the Gallery for a small charge.

Guests can round out a visit to Cranberry Gallery by viewing the many exhibits and displays that entertainingly chronicle the colorful history of the tiny little berry from pre-colonial days to the present. These include sight-and-sound shows, photo montages, dozens of artifacts (past and present), and a diorama of a working cranberry farm.

Cranberry World also offers free cranberry recipes and refreshments, souvenir pins, and daily cooking demonstrations. A typical tour of the building requires approximately 30 minutes.

WEATHERIZATION WORK

Onboard, Inc's energy office has reopened the application process for weatherization work. Applicants must fall within the poverty guidelines recently revised by CSA. Elderly and handicapped households will be taken on a first priority basis.

Applications will be taken only at Onboard's main office at 455 County Street, New Bedford, Room 243. Elderly and handicapped citizens can call 997-3353, Ext. 20, to make an appointment to have an outreach worker visit them. Applicants must have verification of income. If the applicant is a tenant the landlord must also appear with the applicant.

Even though the weather is warm, now is the time to make an application so we can get to the home before winter.

CT SCANNER AT ST. LUKE'S HOSPITAL

Alfred J. Smialek, Executive Director of St. Luke's Hospital, announced that the Massachusetts Public Health Council has approved the hospital's request to acquire a CT (computer tomography) Scanner.

CT Scanning - considered a major radiological breakthrough, combines X-ray principles with advanced computer technology. CT Scanning produces cross-sectional photographic reproductions of organs, tissue and bone exactly as they exist. The produced pictures are extremely detailed, outlining certain areas which are not able to be viewed with standard X-ray equipment.

As you mow, twin blades pulverize grass clippings (or leaves) into tiny particles. They're blown down into the lawn. In a short time the particles decompose and return vital nutrients to your lawn. Nothing to clean up .. no raking, bagging, no trash bags. You're through in the least possible time. Mulching as you mow means you'll need less commercial fertilizer and less water.

According to Smialek, the CT Scanner will enable physicians to see inside the patient's head and body to obtain information never before available. The CT Scanning process takes anywhere from 30 - 90 minutes, is painless, and in many cases, will eliminate the need for exploratory surgery and other invasive procedures.

Since the St. Luke's CT Scanner is the first machine designated for the area, a number of area hospitals will be using the scanner services. Union-Truesdale and St. Anne's Hospital - which joined with St. Luke's in submitting a determination of need application to the Public Health Council, will be sharing the CT Scanner services with Morton Hospital, Taunton; St. Luke's Hospital, Middleboro; and Union Hospital, New Bedford.

In view of the expensive price tag, of the total body CT Scanner, the multi-hospital linkage was necessary. It also insures the optimal use of the CT Scanner capacity.

setts, Governor Edward J. King has announced the grand prize winners of the "Family Love" poetry and art contest. Over 3,000 entries from all across the state were judged by an independent panel of Massachusetts art and poetry teachers.

There were 20 grand prize winners and over 500 honorable mention award recipients, ranging in age from five years to 18 years. Receiving honorable mention from Mattapoisett were Karen Garica, 16 Holly Lane; Kevin Keene, Mattapoisett Neck Road; and Marika Holmgren, 6 Wildwood Terrace. Every youngster who entered the contest received a certificate of recognition from the Governor.

The Governor presided over the award ceremony in Doric Hall at the Statehouse. A reception followed in the Hall of Flags, where the Governor greeted the children and their families, teachers and principals.

The contest was sponsored by the Governor's Advisory Committee on Children and the Family in cooperation with the Massachusetts Teachers' Association. Plans are now underway to publish the winners and honorable-mention winners in a state sovenir anthology. Further plans are being executed to publish the art work and poems in public transportation vehicles in the urban regions.

The response to the theme "Family Love" was so overwhelming that the committee and the judges have proposed that the contest be initiated again for next year's Family Appreciation Month so that a larger population of our state citizenry may par-

Governor King has stated that one of his priorities as Governor is to re-evaluate and institute a new awareness of the importance of the family as the building block of our society. The Governor encouraged public school systems throughout the Commonwealth to offer courses in child psychology and issues of the family living as prerequisites for graduation. "It takes years of educational training," the Governor noted, "to become a professional in fields such as law, medicine, or social services. We must make a serious commitment to training future generations for one of their most important jobs, being a parent."

VOLUNTEERS TO DRIVE CANCER PATIENTS

Over the years, cancer will strike approximately two out of every three American families. At some time, anyone could find out that his or her life depended upon weekly or even daily trips to a hospital for medical treatment.

In the spirit of this somber fact, many people in the New Bedford area have set aside at least one day a month to drive cancer patients to treatment centers.

"You might say we need volunteers with drive," said Mrs. Frances Watkins, who co-chairs the transportation committee of the Greater New Bedford Unit, American Cancer Society, with her husband, Milton Watkins. "Becoming an ACS volunteer driver is as easy as filling out an application. We're looking for men and women of all ages who can find the time to help make someone's life a little easier."

Mrs. Watkins said that cancer patients often discover that finding transportation from their homes to hospitals for treatment poses many unique problems. "Radiation therapy and chemotherapy are cumulative processes. Appointments should not be missed. But, for many, transportation may not be available, or it may be too costly," she said.

"Volunteer drivers enable cancer patients to travel to and from their appointments directly and in comfort," she added. "Such a program assures the patient and his or her family of continuous service throughout the

treatment regime."

Mrs. Watkins said that several aids are available to assist persons wishing to become transportation volunteers. "Each driver is furnished with a sheet of 'Hints and Helps' outlining the responsibilities of the job. A wallet-size card identifies the individual as an American Cancer Society volunteer driver, and is used for hospital parking purposes."

"Ideally, we'd like to have about 30 or 40 drivers, so that each could drive one day every four or five weeks," she said, adding that calendars are distributed to the volunteers so that they will know whom the other drivers are in case they need to change days.

For more information about the volunteer transportation program of the American Cancer Society's Greater New Bedford Unit, call Mr. or Mrs. Watkins at 992-3326 or contact the New Bedford office of the Society at 996-6262.
